

LOGSTOR presents Anette Kollerup Jensen - SME Process & SAP, Customer Service Competence Center

Please tell us a few words on how long have you worked for LOGSTOR and describe your position

I have been working for LOGSTOR since July 2000 – so for more than 19 years. Started in Finance department, was transferred to Customer Service, and now working in the Competence Center, responsible for SAP and process optimization

What do you value most at LOGSTOR?

Not two days are the same – I am challenged every single day.

What have you learned here?

The constant challenges have given me great opportunity to develop as a person.

What is LOGSTOR doing to make you successful at work?

Letting me be involved in larger process optimization projects where my knowledge and experience can be of use.

What is the most meaningful part of your work?

The internal training and daily support I do for my colleagues.

When do you have most fun at work?

When larger projects are solved across different departments, and see the result have an impact on the daily business.
